## CONSENT FOR ACCESS

Name/Address: Mike Welling, Idaho Forest Industries, Inc., 2850 W. Seltice Way, Coeur d'Alene, ID 83814. Phone number: (208) 765-1414. Fax number: (208) 765-2546.

I consent to officers, employees, and authorized representatives of the United States Environmental Protection Agency (EPA) and the Idaho Division of Environmental Quality (DEQ) entering property owned by Idaho Forest Industries, Inc. (IFI), in accordance with this access agreement, for the purpose of carrying out investigations regarding the long term management of acid mine discharge from the Bunker Hill mine. I understand that these investigations are being conducted pursuant to the Non-Populated Area Record of Decision for the Bunker Hill Superfund Site (Site), and that these actions are undertaken pursuant to EPA's response and enforcement responsibilities under the Comprehensive Environmental Response, Compensation, and Liability Act (Superfund), 42 U.S.C. section 9601, et seq.

Specifically, I understand that access is being requested for the purpose of constructing access for drilling equipment, and installing a piezometer in the area noted roughly on the attached map. The access corridor will cross approximately 250 feet of IFI property, and will be located in or adjacent to the streambed. The piezometer will be 100 - 200 feet in depth, outfitted with a data logger, and monitored on an approximately monthly basis for the purpose of collecting water level measurements. Monitoring will occur into the future until further notice from EPA or DEQ, at which time the piezometer will be abandoned in accordance with Idaho Department of Water Resources guidelines. Water level measurements obtained from the piezometer will assist the EPA and DEQ in locating, sizing and designing diversions to prevent or reduce surface water infiltration into the Bunker Hill mine, thereby reducing the quantity and metals load of acid mine drainage requiring treatment.

This written permission is given by me with knowledge that I have not relinquished any rights to refuse use or entry upon or into my property.
